

Trilogy
COMMUNICATIONS INC.

June 3, 2014

I am happy to provide this letter of recommendation for Michael de la Mora, Stellar Restoration Services, LLC.

Stellar Restoration was hired to renovate the exterior and replace the roof of our 250,000SF warehouse and manufacturing facility located in Pearl, Mississippi. Mr. de la Mora and his team performed first class work, their attention to detail and knowledge of the construction process was exceptional. Mr. de la Mora conducted himself with complete professionalism and integrity.

The project was completed in a timely manner, within budget, and exceeded our expectations. I would recommend Stellar Restoration to anyone in need of a General Contractor.

If you have any questions or would like to discuss the project in greater detail feel free to contact me at 601-933-7527.

Respectfully,

Craig Tetrick
General Manager of Operations
